

**REGULAR MEETING  
OF THE TOWNSHIP COUNCIL OF THE TOWNSHIP OF LITTLE FALLS  
WAS HELD THIS EVENING IN THE MUNICIPAL BUILDING**

**Monday, July 12, 2010**

Council President Joseph Sisco called the meeting to order at 8:24 p.m. with the following members present: Louis Fontana, Paul Huggins, Christie Huh and William Liess. Also present were Mayor Michael DeFrancisci, Township Attorney Associate Jeffrey Trapanese, Township Engineer Dennis Lindsay, Municipal Clerk William Wilk and Township Administrator Matthew Kazmierczak

Absent: None

Township Employees present: Police Chief John Dmuchowski, DPW Superintendent Phillip Simone and Deputy Municipal Clerk Cynthia Meyer

Following the Salute to the Flag, the Statement of Public Notice was read.

**STATEMENT OF PUBLIC NOTICE:** Take notice that adequate notice of this meeting was provided in accordance with N.J.S.A. 10:4-8 and N.J.S.A. 10:4-10 as follows: A notice of the meeting was prominently posted on the bulleting board at the Municipal Building, located at 225 Main Street, Little Falls, N.J. on January 7, 2010; a copy of the notice was faxed to the North Jersey Herald and News and The Record on the same date; additionally, a copy of the notice was filed in the office of the Township Clerk on said date.

**APPROVAL OF MINUTES**

It was moved by Councilmember Huggins, seconded by Councilmember Liess, that the Minutes of the meeting of June 21, 2010 be approved.

Poll:	Ayes:	Fontana, Huggins, Liess and President Sisco
	Nays:	None
	Abstain:	Huh

The Council President declared the motion passed.

**REMARKS FROM CHAIR**

Councilmember SISCO explained that there are some concerned Senior Citizens in the Morris Canal area of loose dogs; there are also issues of people who aren't picking up after their animals. He asked that someone address this issue.

**COUNCIL MEMBER REPORTS**

Councilmember FONTANA pointed out that the Library had requested funds to have its roof fixed several months ago. This funding was approved recently, and the money will be coming in shortly. He also noted that the ABC Concerts in the Park and the Farmers Market have been great and attracting a lot of people. He encouraged everyone to come out for this. He explained that the Open Space Grant was sent off to the County for recreation items, noting that the committee would begin working on the Master Plan for repairs and other things that need to be done.

Councilmember HUH informed that she attended the Fourth of July Street Fair in town, adding that the Domestic Violence Committee had their own tent, and raised \$100. She thanked the Police Department and all of the people who came out and supported the Committee. Referring to MSU, she voiced her opinion that this is a town-wide issue; not just Clove Road. She pointed out that a committee to represent the residents cannot be just any committee, but it must work with the governing body.

Councilmember LIESS explained that the Silver Scribes writing program for Senior Citizens ended a couple of weeks ago. He informed that upon meeting with MSU today, they set a date for a public presentation of their work, which will be held on 09/8/10 at the Civic Center.

Referring to last week's Downtown Parking Development Committee meeting, he informed that an MSU representative attended the meeting, who put together a successful Transit Village application. This is in connection with the State, and the State uses grants to assist communities to make their shopping/downtown areas more attractive. With the assistance of Montclair, they will work toward this.

Councilmember HUGGINS referred to the Clove/Long Hill Road matter, and pointed out that they have been through many different plans. They will take anyone's help to help alleviate this problem.

Councilmember HUH voiced some concern and asked whose responsibility it is to find out whether or not the Council has anything to say on the Route 46 development. Mr. Lindsay explained that this is a regional plan; it is not from MSU. He further noted that this plan has been in the works for some time.

Councilmember HUGGINS informed that there was a recent Grants Committee meeting, where the committee discussed a grant to improve pedestrian walkways; the grant is 100% funded and the town can be awarded up to \$275,000. He strongly suggested looking into other grants for the town in the future, including bike path grants and a planning grant for the Morris Canal. Referring to the Green Acres Fund, he explained that he would like to work with the Recreation Committee to make a plan for next year to be ready to get a hold of these funds. He further noted that the committee would like to meet with the Mayor as well as the department heads in town to begin discussing how they will plan their grant objectives for the upcoming year. Councilmember HUGGINS also pointed out that the town had originally applied for a Severe Repetitive Loss Program; many people worked to help get this done, and 36 homes are now eligible for 100% elevation. Mr. Lindsay explained that there are now 47 potentially eligible homes. Councilmember HUGGINS informed of an estimated \$6 million per home to come in. This is a step towards progress, and after the money comes in, they hope to have a very minimal amount of costs.

Councilmember HUH pointed out that the Route 46 plan is not on this evening agenda, and suggested that they invite NJDOT to discuss this at a future meeting. She thanked MSU for brining the plan in. Mr. Lindsay said the DOT was here in the past to describe the plan, as well as to Clifton. He wasn't aware of how much involvement they had, but he was sure they

## Meeting of July 12, 2010

came to Little Falls. Councilmember HUH voiced her understanding that they have an obligation to come before the current Council to discuss this, and Council President SISCO asked Mr. Wilk to get in contact with the DOT.

### MAYOR'S REPORT

Mayor DeFrancisci informed that Paterson Avenue has had some improvements at Duva Field; he thanked the County for giving them money last year to do some field improvements. They came up short in terms of what it will cost and he has asked the Council to fund some more money for this. He thanked Mr. Simone for his work with this as well, noting that this is a very important issue in town. He explained that the backstops which were installed have not cost the town anything so far, and the additional work they are funding is work that would have had to be done anyway. He thanked everyone for their work with the grants for elevating homes. He also thanked Cynthia Meyer for her help with the Gulf Oil Spill – Project 8 donation.

He referred to the ABC Farmers Market and the Concerts in the Park, which he described to be great. Mayor DeFrancisci also informed that they will not be able to put in a Green Acres application this year, but they can start to work on it for next year. He thanked the Township of Montclair for inviting Little Falls residents to the firework show. In terms of communication with MSU, he said he does the best he can to keep everyone informed of the information he receives; sometimes it is hard because of the amount of meetings during the week. He is very excited about the Senior Scribes presentation to see what they have been working on.

Councilmember HUH reminded that the Council held a Special meeting to hire a Business Administrator; she asked that he be introduced at this time, since she wasn't in attendance for that meeting. She hoped he would help with the communication issues in town. Mayor DeFrancisci introduced Mr. Kazmierczak at this time, who said he is happy to be here, and promised to do his best to keep everyone informed and up-to-date on information.

### ATTORNEY'S REPORT

Mr. Trapanese referred to Resolutions [I] and [J] on this evening's agenda, and explained that these stem from two tax appeals at the State level. This is the refund that is due as a result of the tax court settlements. He also informed that Resolution [K] was negotiated directly with the revaluation company. Mr. Trapanese informed that he has spoken with Mr. Wilk regarding Woodcliffe Avenue; the Council has received information on this, and he requested that they discuss this at a future workshop meeting.

### PUBLIC PORTION

It was moved by Councilmember Huggins, seconded by Councilmember Fontana, that the meeting be and it was opened to the public.

Poll:               Ayes:               Fontana, Huh, Huggins, Liess and President Sisco  
                      Nays:               None

The Council President declared the motion passed.

Barbara Larson, 38 Garavant Avenue, explained that there have been a lot of problems on the playground at School #3. She thanked the Police Department for their prompt and helpful response in this matter. She informed that many kids from the surrounding towns come to skateboard at night in gangs. She pointed out that the Police have been addressing the issue, but asked if there was something more permanent the town could do to solve this.

Bob Santos, explained that the water company has been instructed by the County to mark Highland Avenue and Long Hill Road. He questioned what the County plans to do in the area.

Frank Zimmerman, Long Hill Road, referred to the overlay zone and reiterated questions he had asked at previous meetings. He questioned the minimum lot area and the bulk and setback requirements for an attached single-family home. He thanked the Mayor and Council for the recent resolution that was sent to COAH proposing to remove the term "attached" from the overlay ordinance. However, referring to specific points in the new ordinance, he requested clarification and asked if the Council was aware of the new proposed amendments. He also questioned why these changes are being made. He also voiced his understanding that the applicant withdrew his request to revisit the Planning Board's decision on Woods Road. He questioned the status of this now. He also asked if all Executive Session Minutes dealing with Woods Road would now be made public.

Ahmad Mirghahari, explained he is the owner of Subway in Little Fall. He explained that the property next door to him is a paper street, which he has been maintaining for the past 12 years. However, late at night, trucks come to dump their garbage there, and he is left to clean it up. He asked that a barrier be put up to prevent this, and questioned the possibility of purchasing the street from the town.

Nancy Braddell, 44 Garrabrant Avenue, also voiced her concern with the loitering, littering and disturbances at School #3, and thanked the Police Department for their help with this.

Ms. Canavan, 200 Lindsley Road, referred to the resurfacing of Cedar Grove Road, and explained that Mr. Lindsay had previously informed her that this is on this list to be done. However, she was recently informed that the County will not be repaving this road. She explained that the street is a cut-through for tractor trailers; it has been damaged and is very deteriorated going toward Passaic Valley High School. She asked if they could ask the County to add this road to the list.

Steve Coppa, Comerra Coppa Architects, explained that since the last meeting with the Council, his company has proceeded to finish the contract documents within 95% as of today. To date, they have received approvals from the Department of Corrections, the Court Administration Office in Trenton and the assignment judge in Passaic County. They are now working on the site plan, on which they have received survey information. They will now proceed to get County approval for drainage matters. Within the next week, they intend to wrap up the project and will then wait for Council approval to go out to bid. Councilmember LIESS reminded that the Council is to see all final specs before they go out to bid, noting that they were already supposed to have started the construction on this. He asked Mr. Coppa for a likely meeting date to show the bid specs and discuss going out to bid. Mr. Coppa explained that they have been awaiting documents that they are required to have to finish other documents. They can then set up a date and time to meet with the Council. Councilmember LIESS requested to discuss this matter further in Executive Session this evening.

**Meeting of July 12, 2010**

No one further having come forward to be heard, it was moved by Councilmember Huggins, seconded by Councilmember Fontana, that the meeting be and it was closed to the public.

Poll:           Ayes:           Fontana, Huh, Huggins, Liess and President Sisco  
                  Nays:           None

The Council President declared the motion passed.

Chief Dmuchowski said they currently have an extra attention program; they have had one arrest and they are dealing with the problem. However, it is not town’s property to be able to restrict these kids from being on it. They hope to come to a resolution on this matter shortly, but explained that they rely on the residents to let them know what is going on. Installing cameras was an idea, but they will need to deal with the School Board to do so, and the Board doesn’t see this as a problem. He explained that there is currently nothing in place to restrict hours at the park, but they are working to reach a long-term solution. Councilmember HUGGINS said he is familiar with this problem; he has witnessed it himself, and agrees that it is a serious concern. He asked the attorney for any legal advice that would help the town restrict people from the area. Mr. Trapanese said some issues are matters of trespassing; they could also look into some ordinances to restrict skateboarding, etc. in certain areas. He suggested they start by speaking with the School Board about this. Councilmember LIESS pointed out that in a separate, but similar issue, the Board of Education posted a time restriction, subject to a fine to solve the problem.

Referring to Mr. Santos’ comments, Mr. Simone said he would inquire about this, but noted that it is possible the County is just checking the water lines, since their contract is coming up. He assured he would look into it and let the Administrator know.

Council President SISCO asked the Police Chief about the paper street by Subway, and Chief Dmuchowski voiced his understanding that the street is not used for anything. However, he recommended they check with the Fire Department about this. Mayor DeFrancisci agreed to follow-up on this.

Councilmember HUGGINS referred to Mr. Zimmerman and said this is a proposed Ordinance that they have sent to COAH; a resolution was passed asking for COAH to consider same. They have heard nothing back from COAH at this point, but they will ask the Planning Board for its input. Mr. Zimmerman said he asked the Planning Board about this, noting that the board was unaware of same. Mr. Lindsay explained that they Planning Board knew about it, but said they wouldn’t discuss it because it hadn’t been published yet. They will then be able to have a full public hearing on this. Mr. Zimmerman asked to have his questions answered before everything becomes finalized. Councilmember HUGGINS clarified the process of passing this ordinance; COAH would first have to approve the ordinance before the town could move forward with an introduction, public hearing and adoption. Councilmember HUH suggested that Mr. Trapanese answer Mr. Zimmerman’s questions.

Council President SISCO told Mr.Coppa that they would discuss this matter further in Executive Session this evening.

In response to Mr. Zimmerman, Mr. Lindsay clarified that the applicant did withdraw his application to reconsider Woods Road, but explained that the Planning Board is considering whether they want to take on a separate action. They received additional information from the applicant, which gave further clarification on the status of Woods Road. They are considering whether they will take any action or not. Mr. Trapanese commented briefly and Councilmember HUGGINS added that the application cannot go forward until the position of the road is determined. Councilmember HUH pointed out that Mr. Kohlman had asked a question regarding MSU owning a part of the road. Mr. Lindsay clarified that they own a portion of the road; however, he doesn’t have the square footage of what they own. Mr. Lindsay said he could find out the land area and frontage and show her the property on a tax map. From there, they can determine if they can build on it. In response to Councilmember HUH, Mr. Lindsay assured he would get the facts on the property for the Council.

Mr. Lindsay explained that they applied to have Cedar Grove Road listed to be repaved in 2009. This year the town listed it again as the number one road to be paved. The County denied it last year, but has not responded to this year’s request at this point.

**C O N S E N T   A G E N D A**

All items on the Consent Agenda were considered to be routine and were enacted with a single motion. Any items under REQUISITIONS carried a Treasurer’s certification as to sufficiency of funds.

At this time, Mr. Wilk informed that he had sent emails out to everyone with regard to the next two ordinances, requesting for a Special meeting to be held on 7/26/10 to adopt same. There was an affirmative consensus from the Council to do so.

Ordinance No. 1104 – It was moved by Councilmember Huggins, seconded by Councilmember Liess, that there be introduced and the meeting of July 26, 2010 set as the date and time for the public hearing on the following:

**ORDINANCE NO. 1104**

**AN ORDINANCE AMENDING AND SUPPLEMENTING CHAPTER VII, ARTICLE I, OF THE REVISED GENERAL ORDINANCES OF THE TOWNSHIP OF LITTLE FALLS TO ESTABLISH MID-BLOCK CROSSWALKS IN THE TOWNSHIP OF LITTLE FALLS.**

**BE IT HEREBY ORDAINED** by the Township Counsel of the Township of Little Falls in the County of Passaic, and State of New Jersey as follows:

Section 1. Chapter 7, Article 1, of the Revised General Ordinances of the Township of Little Falls is hereby amended and supplemented to establish a Section 30 which would allow the Township to install or place mid-block crosswalks within the Township, as follows:

**Chapter 7, Article 1, Section 7-30 Mid-Block Crosswalks**

A. Mid-Block Crosswalks on Streets. In accordance with the provisions of N.J.S.A. 39:4-8(d), the following on-street locations are designated as mid-block crosswalks. Such spaces are for use by pedestrians for crossing roadways away from intersections in marked designated crosswalk areas distinctly indicated by lines or markings on the roadway surface.

<b>Name of Street</b>	<b>Location</b>
Paterson Avenue (aka Passaic County Route 639)	Along the eastern curb line of Paterson Avenue, beginning at a point on the northerly corner of the curb line intersection with Sindle Avenue extending northerly along said curb line a distance of 270 feet to the south edge of the crosswalk having a total marked width of approximately 10 feet and crossing Paterson Avenue on a slight angle to the north.
Paterson Avenue (aka Passaic County Route 639)	Along the eastern curb line of Paterson Avenue, beginning at a point on the southerly corner of the curb line intersection with Jackson Avenue extending southerly along said curb line a distance of 532 feet to the north edge of the crosswalk having a width of approximately 10 feet and crossing Paterson Avenue at approximately a right angle to the curb line.

B. The installation or placement of such crosswalks shall be consistent with the standards prescribed by the Manual on Uniform Traffic Control Devices for Streets and Highways.

Section 2. Severability

If any section, paragraph, subdivision, clause, sentence, phrase or provision of this ordinance is declared unconstitutional or invalid by a Court of competent jurisdiction, such decision shall not affect the remaining portions of this ordinance.

Section 3. Repealer and Merger

All Township ordinances and parts of ordinances inconsistent with this ordinance are hereby repealed.

Section 4. Effective Date

This ordinance shall take effect upon final passage, adoption and publication as required by law.

Ordinance No. 1105 – It was moved by Councilmember Huggins, seconded by Councilmember Fontana, that there be introduced and the meeting of July 26, 2010 set as the date and time for the public hearing on the following:

**ORDINANCE NO. 1105**

**A CAPITAL ORDINANCE APPROPRIATING THE SUM OF \$14,000 FOR IMPROVEMENTS TO DUVA FIELD OF THE TOWNSHIP OF LITTLE FALLS AND TO APPROPRIATE \$14,000 FROM CAPITAL FUND BALANCE**

**BE IT ORDAINED**, by the Governing Body of the Township of Little Falls in the County of Passaic, New Jersey (not less than two-thirds of all members thereof affirmatively concurring) as follows:

SECTION 1. The improvement described in Section 2 of this Ordinance is hereby respectively authorized as a general improvement to be made by the Township of Little Falls, New Jersey, for the said improvements or purposes stated in Section 2, there are hereby appropriated the sum of money therein stated as the appropriation made for said improvement or purpose, said sum being inclusive of all appropriations heretofore made thereof and amounting in the aggregate to \$14,000 which is now available from the Capital Fund Balance.

SECTION 2. The Township of Little Falls, in the County of Passaic, State of New Jersey, is hereby authorized to provide for the following:

Improvements to Duva Field

SECTION 3. It is hereby determined and stated:

- (a) That said purpose is not a current expense. That the same is an improvement which the municipality may lawfully make and that no part of the cost of said improvement has been or shall specifically be assessed on properties specifically benefited.
- (b) It is not necessary to finance said appropriation by the issuance of obligations by the Township of Little Falls pursuant to the Local Bond Law of the State of New Jersey, for the reason that monies sufficient to cover the appropriation thereof shall be available from the Capital Fund Balance in the amount of \$14,000.

SECTION 4. The Capital Budget of the Township of Little Falls is hereby amended or established to conform with the provisions of this Ordinance to the extent of any inconsistency herewith. The resolution in the form promulgated by the Local Finance Board showing all detail of the amended or temporary Capital Budget and capital program as approved by the Director of the Division of Local Government Services, is on file with the Clerk and is available for public inspection.

SECTION 5. The sum of \$14,000 is hereby appropriated for the aforementioned purpose.

SECTION 6. It is hereby determined and stated that no supplemental debt statement is required to be made and signed in connection with said appropriation, since the gross debt of the municipality, as defined under the Local Bond Law, is not increased by this Ordinance and no obligations in the matter of notes or bonds are authorized by this Ordinance.

SECTION 7. This Ordinance shall take effect after publication thereof and final passage as required by law.
