*Re: Paterson Ave (One-Way vs Two-Way and Pedestrian Plaza) - Town Hall*

Dear Neighbors:

Please be advised that I will be hosting a Town Hall style meeting on **Wednesday, May 31, 2023, at 7:00 p.m. at the Little Falls Civic Center** to discuss several options for Paterson Ave (between Main Street and Maple Ave) and the potentials regarding Paterson Ave becoming a One-Way as compared to a Two Way Road as it presently exists as well as the potential to add a Pedestrian Plaza. I have been working closely with the County traffic engineers to discuss the possible options and the differences that may exist as well as the potential to include a pedestrian plaza in the area, and your input and recommendations are requested prior to any modifications being made to the area.

Should you have any questions prior to the meeting, or should you be unable to attend but have a desire to provide your input, please do not hesitate to contact me at the phone number or email address above.

I look forward to seeing you then.

Very truly yours,

JAMES BELFORD DAMIANO  
Mayor, Township of Little Falls
