### **Public Notice of Disciplinary Action**

In accordance with the NJ Attorney General and the Little Falls Police Department's written directive on Internal Affairs, *"The Little Falls Police Department shall periodically release a brief synopsis of all complaints where a fine or suspension of ten days or more was assessed to a member of the agency."*

On May 10th, 2019, the Little Falls Police Department's Internal Affairs unit completed an investigation into violations of Department Rules and Regulations by one of our officers while off-duty. The below enumerated list shows the rule violation(s) and conclusion(s):

<b>Charge</b>	<b>Department Regulation</b>	<b>Conclusion</b>
1:5.1	Ethics	Sustained
3:1.7	Obedience to Laws, Ordinances and Written Directives	Sustained
3:1.1	Standards of Conduct	Sustained

A "Sustained" finding means that a preponderance of the evidence showed that an employee violated department rules, regulations, protocols, standard operating procedures, directives, or training. As a result of the investigation, a ten (10) day suspension was imposed as discipline to the member of our agency.
