Re: Repaving of Long Hill Road

To the Residents of Long Hill Road Area:

I am happy to announce that Long Hill Road (and the small impacted areas on the side streets) will be repaved over the course of Thursday and Friday, November 9<sup>th</sup> and 10<sup>th</sup> (weather dependent). The contractor intends to mill the roadway on Thursday and pave the road on Friday.

On Thursday, November 9, 2023, you will be permitted to drive into and out of the closed area, however, you may be required to detour to a specific route, or wait for short periods of time to allow the milling operation to move past your street/driveway.

**On Friday, November 10, 2023, no vehicles will be allowed in or out of the area once the tack (tar) is placed on the roadway and until the asphalt has had time to harden. To be safe, all vehicles should be removed from the area by 7:00 a.m. on Friday, November 10, 2023.** While I understand that the paving may not begin near your home, we cannot guarantee what time the contractor will be in your area.

I apologize in advance for any disruption this may cause. Should you have any questions, please do not hesitate to contact me at the email or phone numbers above.

Very truly yours,

JAMES BELFORD DAMIANO  
Mayor, Township of Little Falls
