[Clifton] - The Clifton Health Department is continuing to hold **weekly Moderna vaccination clinics** for first and second doses on **Wednesdays from 9am-11am**. Please note that appointments are not required for these clinics, but if you wish to make an appointment to expedite your visit, please go to: <https://www.solvehealth.com/book-online/Avdk8g>

Additionally, the Clifton Health Department will be holding clinics for booster doses of the Moderna vaccine **every Wednesday beginning August 25, 2021 from 9am-11am**. At this time, these clinics are **open to immunocompromised individuals ONLY**. Please see below for eligibility requirements.

Both clinics will be held at Clifton City Hall, 900 Clifton Ave. in Clifton, under the vaccination tent across from Parking Lot #4.

Please note that in accordance with the New Jersey Department of Health and CDC's guidelines, those currently eligible for booster doses include:

- Individuals who have been receiving active cancer treatment for tumors or cancers of the blood

- Individuals with advanced or untreated HIV infection
- Individuals undergoing active treatment with high-dose corticosteroids or other drugs that may suppress immune response
- Individuals who have received an organ transplant and are taking medicine to suppress the immune system
- Individuals who have received a stem cell transplant within the last 2 years or are taking medicine to suppress the immune system
- Individuals with moderate or severe primary immunodeficiency (such as DiGeorge syndrome, Wiskott-Aldrich syndrome)

Appointments for booster vaccines are REQUIRED, and can be made by calling the COVID-19 hotline at 973-470-2039. A representative of the Clifton Health Department will return your call to ask a series of questions to confirm eligibility to receive a booster dose, and make the appointment for you.

For any questions, please call 973-470-2039.

The Clifton Health Department is a contractual health agency serving the Township of Little Falls.
